SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

The Applicants respectfully request that the following references be considered in the examination of the above-identified application. A copy of each non-US patent reference is enclosed. If any of these references were uncovered by an international or foreign search as part of a counterpart application filed by the Applicants, then a copy of the search report is also enclosed.

Under rule 37 C.F.R. 1.98(a) (effective March 16, 1992), for those above-cited references that are in the English language, the Applicants submit that no specific comments are necessary for any of these.

Lastly, in accordance with Rule 37 C.F.R. §§ 1.97(e)(1), the undersigned attorney certifies that each item of information contained in this supplemental information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to filing this statement. In this regard, the communication from the European Patent Office is dated May 30, 2006 and forwarded the European Search Report; a copy of this communication and, as noted above, the search report is enclosed herewith.
